AQUARIUS, THE WATER-
BEARER . . . SIGN OF
LOVE AND FELLOWSHIP . .

ITS POSITION IN
THE HEAVENS
ANNOUNCES THE
COMING OF . . .

THE AGE
OF AQUARIUS

THE AGE OF AQUARIUS . . .

a new era of love and brotherhood is with us now. As we begin the 1970's, we are aware of a change, within ourselves, and in other people. We look around, and we smile.

We can see this feeling of cooperation and fellowship growing in all phases of school life. When the sophomores arrived, their faces were new to us, as ours were to them. Now the faces are familiar; the sophomores are an important part of our school. The clubs have brought students together as friends, working for the school while learning about each other. The intramurals and other projects sponsored by the Student Council have brought students into competition and contact with new people. This year students worked collectively for a successful Homecoming, which included sponsors and a queen, a parade, and a Yellow Jacket victory. A great sports program is enjoyed this year because of close cooperation between fine athletes and coaches. Much credit goes to the teachers and administration, who guide the students, helping them to be contributing elements of a unified student body.

A river of people flows constantly and strongly in the halls of our school. We are the currents and tides; we are the ripples and waves. But we are all flowing in the same direction; toward each other, giving our school a feeling of unity and kinship.

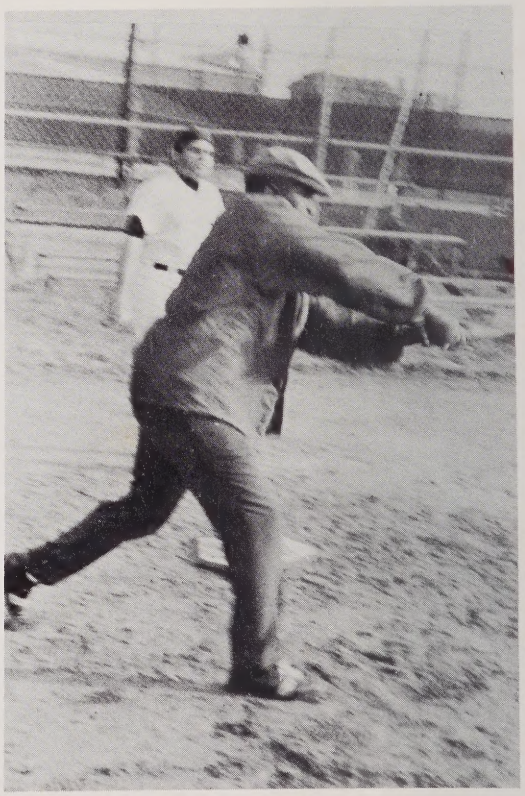
DEDICATION



COACH CHARLES ENGLAND

A wonderful teacher is . . .
Always smiling, a friend to all,
Living and showing his interest in us,
Never too busy to understand
That we need a patient, helping hand.

The 1970 LEXICON staff proudly presents our annual to a wonderful teacher . . .
Coach Charles England.

IN MEMORY

Pamela Tilley Smith

TRIBUTE

The 1970 LEXICON staff wishes to pay tribute to a man who has given many years of service and advice to the students of Lexington High School . . .

MR. C. E. WIKE

Mr. C. E. Wike
Principal

Through the years, Mr. Wike has proven himself to be a competent leader. His hard work and understanding has gained for him the support and admiration of the students.

Mr. R. Jack Davis
Superintendent

His willingness to help, his ability to direct, and his interest in the students are recognized and appreciated by all.

Mr. Theodore Leonard
Assistant School Superintendent

Mr. Frank Clark
Assistant Principal of Lexington Senior High, Student Council Advisor, Candidate for North Carolina House of Representatives

Mrs. Edith Brown
Secretary, and ever-present guardian of the main office

DEAN OF GIRLS

Mrs. Joyce Price

DEAN OF BOYS

Mr. Sullivan Welborne

GUIDANCE COUNSELORS

Mrs. R. Gayle Hussey, Mrs. Ralph Smith, Secretary;
Miss Pansy Livengood

Top Six Players

Four year record—Won 47—Lost 1

1966	won 9	lost 0
1967	won 11	lost 1
1968	won 12	lost 0
1968	won 15	lost 0

String of 27 wins in a row extending over a two year period. Last year's team was undefeated. South Piedmont Conference, W.N.C.H.S.A.A. champions, and State co-champions (with Wilmington). Only one player in the top six lost by graduation (Mark Griffith—Plebe tennis team at West Point). Very attractive 1970 schedule includes 8 S. P. C. matches plus:

Wilmington	Eastern 4A Champion and State Association Champion
Myers Park	Western 4A Champion
Burlington	Central 4A Champion
Page	Central 4A Runner-up
Watauga	Western Division of W. N. C. H. S. A. A. Champion
Shelby	Western Division of W. N. C. H. S. A. A. Runner-up
Elkin	Strongest "Independent" in Western, N. C.

Lexington is a very heavy favorite to repeat as South Piedmont Conference and W. N. C. H. S. A. A. Champions and is rated along with Wilmington and Myers Park as contenders for the State Championship of North Carolina for 1970.

Lexington will host:

South Piedmont Tournament	May 8- 9
W. N. C. H. S. A. A. Finals	May 15-16

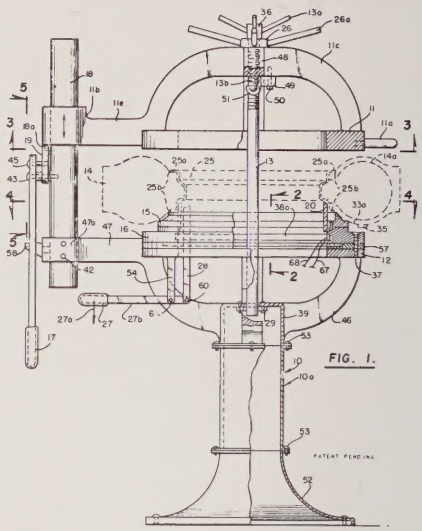
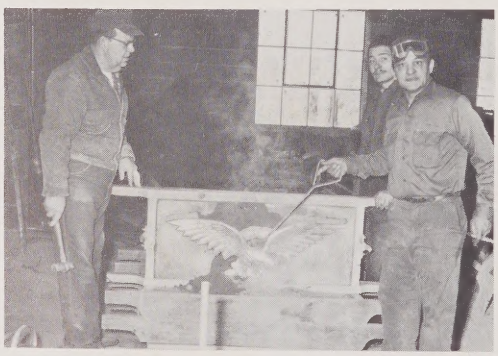
This machine is used to keep recapping equipment up to date in their own shop and other shops.



A new addition to Harb's services is ornate wall plaques.

The pattern is set up in sand. The mold is open in this picture.

Hot metal is then poured into the sand mold.



While in a semi-molten state, the sand casting is removed.

A choice of patterns and sizes is offered in the finished product.
